

74 book reviews - springer - heroic desire is a creative and positive exploration of lesbian culture and identity politics in relation to **heroic desire**. she is keen to demonstrate that claiming a lesbian self is political, that identifying as lesbian in a homophobic environment is **heroic** and that being a lesbian requires a degree of rebellion in favour of one's own ... **heroes who learn to love their monsters: how fantasy film ...** - heroes who learn to love their monsters: how fantasy film characters can inspire the journey of individuation for gay and lesbian clients in psychotherapy roger kaufman ... homosexual romantic desire, and the gay identity that develops **resisting invisibility: lesbianizing the public space in ...** - (heroic desire 6). this portrayal of lesbian desire is **productive, excessive, expansive, a pleasure-machine** which can open up new spaces in which we can live **heroically**. (6). the visibility of lesbian desire, then, allows for **an occupation of space, to use the term "inimagining lesbian citizenship: a kiss tell affair"** - identity and sexual behavior (ellen may be a lesbian, but she certainly must not act like one) and further serves to mark lesbian desire as deviant. passing as normal enough within the visible realm requires that the a priori dichotomies of deviance and normality must clearly remain intact. the markers of normality ascribed to **design and construction of ports and marine structures** - heroic desire: lesbian identity and cultural space (lesbian & gay studies) gender (transitions) women in british politics, c.1689-1979 (gender and history) foucault and feminism: power, gender and the self transgender voices feminist activism, women's rights and legal reform (feminism and **gender and sexual dissidence on catalan and spanish ...** - lesbian writing and modern histories (1996), marylin farwell **heterosexual plots and lesbian narratives** (1996), and sally munt **heroic desire: lesbian identity and cultural space** (1998). this field of studies was very prolific in anglo-saxon contexts but the activity of challenging the heteronormativity of the established literary **heterosexual plots and lesbian narratives - muse.jhu** - sexologists would call "natural" boundaries, the postmodern lesbian subject is a figure of bodily and sexual monstrosity intent on shocking a complacent society. it is also natural that the generation of lesbian theorists following the lesbian-feminists should reinstate the body, desire, and sexuality as central to lesbian identity.
